

SILVERSNEAKERS AND COLLEGESAVE

Prospects have one more reason to enroll in a plan that offers SilverSneakers.

Tivity Health™, through an exclusive partnership with CollegeSave, offers the Tuition Savings Program to SilverSneakers® members. Offer prospects yet another reason to enroll in a plan that offers SilverSneakers – they can improve their health and help students with college tuition.

What is CollegeSave?

- CollegeSave is a national membership organization dedicated to providing parents and students innovative benefits and critical information that families need to make the dream of a college education more affordable.
- CollegeSave offers college savings advice, a College Savings Roadmap, and **free access to tuition discounts** to nearly 400 private colleges and universities in 44 states (up to one year off full tuition). Membership benefits and information are provided through their website, newsletters, blogs, seminars, videos, webcasts, telephone town hall meetings, and other online communications.

How does participating in CollegeSave impact SilverSneakers members?

- SilverSneakers helps members experience their best health so they can Love Life Longer™ – that is, remain active and independent into their later years. As they share their healthy lifestyle habits with loved ones, they can also participate in CollegeSave, which allows them to accumulate tuition discount points for savings on college tuition for students they designate (from birth to the beginning of their junior year of high school).
- CollegeSave tuition discounts are spread over four years and are good for up to one full year of tuition discounts at participating colleges and universities.
- SilverSneakers members who already have a CollegeSave account can earn additional points through the SilverSneakers partnership.
- Members earn 1,000 discount points the first month they sign up for the program. Then each subsequent month they'll receive 250 points if they visit a participating location at least seven times during that month. They have the incentives of staying healthy *and* earning points for tuition savings for their loved ones.

SilverSneakers®

Students must be admitted to one of the participating colleges on standard admission criteria. Students use the rewards for discounts off full tuition in four equal installments from freshman to senior year of college. The tuition savings benefit is provided as a discount off tuition by each college; schools sign contracts with the program's college network administrator to honor the tuition discount (it is never paid in cash to a participating student or family). All students in the member's extended family are eligible, from birth to the beginning of the junior year of high school; members can name their child, stepchild, niece, nephew, cousin, godchild or grandchild as a beneficiary of the tuition discounts. There is no requirement for students to select a college they will attend in advance. The Tuition Discount points represent a guaranteed minimum scholarship that can be combined with other aid offered by the participating college. Additional requirements, including deadlines for registering students in the program and procedures for redemption of tuition discounts are provided in the CollegeSave Membership Terms and Conditions on the program membership portal.
